

On behalf of the Pennsylvania Long-Term Care Learning Network, the Jewish Healthcare Foundation invites you to join the next

**SPECIAL POPULATION WEBINAR: May 26, 2022**

**Avoiding Hospitalizations from Nursing Facilities:  
Vaccines can Play a Role**

This webinar will follow this quarter's educational theme of reducing avoidable hospitalizations from nursing facilities. During this session we will discuss ways to implement practical strategies and solutions to improve processes and outcomes for vaccination and immunization in the nursing facility.

**Please invite the following Special Population Team Members:**

- **Medical Directors – from Nursing Facilities and MCOs**
- **Infection Control Nurses**

**[CLICK HERE](#)** to register for this Zoom webinar scheduled for **Thursday, May 26<sup>th</sup> at 2:00 pm**

The Learning Network is part of the Department of Human Services' Quality Strategy for Nursing Facilities, offered as a collaboration of the Community HealthChoices Managed Care Organizations.
