

On behalf of the Pennsylvania Long-Term Care Learning Network, the Jewish Healthcare Foundation invites you to join the next

SPECIAL POPULATION WEBINAR:

August 25, 2022

Acute Change in Condition Due to Aspiration Events (a deeper dive)

This webinar will continue to follow this quarter's educational theme of enhancing skills to assess and manage key conditions in long-term care. Aspiration events are common among nursing home residents. Presenters will demystify and differentiate aspiration, aspiration pneumonitis, and aspiration pneumonia. Guidelines will be highlighted and shared about the management of each using an interprofessional, collaborative approach.

Please invite the following Special Population Team Members:

- **Nursing Leadership**
- **Infection Preventionists**
- **Speech Language Pathologists**
- **Dieticians**
- **Occupational Therapists**
- **Providers**
- **CNAs**
- **Dentists who practice in LTC**
