

On behalf of the Pennsylvania Long-Term Care Learning Network, the Jewish Healthcare Foundation invites you to join the next

SPECIAL POPULATION WEBINAR:

September 8, 2022

Mental and Behavioral Health Considerations for Long-Term Care

This webinar will continue to follow this quarter's educational theme of enhancing skills to assess and manage key conditions in long-term care. This presentation will explore the most common behavioral health diagnoses seen in residents living nursing facilities. Learn approaches to manage appropriate use of psychotropic medication and best practices around deprescribing.

Please invite the following Special Population Team Members:

- Social Workers
- Nursing Facility Leadership
- Front-line Nurses
- Nurse Educators
- Medical Directors
- Pharmacy Partners
- Service Coordinators
