

On behalf of the Pennsylvania Long-Term Care Learning Network, the Jewish Healthcare Foundation invites you to join the next

**SPECIAL POPULATION WEBINAR:**

**October 13, 2022**

## **Going Beyond “Great Job!” with Appreciation that Impacts Lives**

This webinar will continue to follow this quarter’s education theme, addressing workforce challenges. We all share the same need to feel appreciated for our contributions yet only 3 in 10 US employees strongly agree that in the last seven days they have received recognition or praise for doing good work (Gallup, 2017). Using an interactive exercise, this session will explore a different way of expressing appreciation that supports connection and wellbeing.

**Please invite the following Special Population Team Members:**

- **Nursing Home Administrators**
- **Directors of Nursing**
- **Nurse Managers**
- **Medical Directors**
- **Service Coordinator Supervisors**
- **Human Resource Team Members**
