

On behalf of the Pennsylvania Long-Term Care Learning Network, the Jewish Healthcare Foundation invites you to join the next

SPECIAL POPULATION WEBINAR:

November 10, 2022

Understanding Basic Management Strategies when Working with Individuals with Acquired Brain Injuries

This webinar will introduce a special topic: acquired brain injuries. This session will help you increase your understanding around brain injuries. Learn strategies for nursing facility frontline team members and basic tips to best support residents living with a brain injury.

Please invite the following Special Population Team Members:

- Physical Therapy
- Occupational Therapy
- Speech Language Pathologists
- Recreation Therapy
- Restorative Teams
- Frontline Nursing
- CNAs
- Social Workers
- Service Coordinators

[CLICK HERE](#) to register for this Zoom webinar scheduled: **Thursday, November 10th 2:00 pm**

You will need your National Provider Identifier (NPI) to register

(if you do not have one or do not know it, please enter 0 on the registration form)

REMINDER

If you have not already registered for the November 3, Nursing Facility Webinar:

Trauma Informed Care: What Is Needed for Staff and Residents
