Re: CMS Certification Number (CCN) **391317** (former CCN 390130)

Dear Mr. Harkleroad:

We are pleased to notify you that Conemaugh Miners Medical Center meets the requirements at 42 Code of Federal Regulation (CFR) Part 485 for participation in the Medicare program as a Critical Access Hospital (CAH). The effective date for conversion to a CAH is July 1, 2020.

Your former CCN, 390130, is terminated as of midnight on June 30, 2020. Your new CCN for CAH status is 391317. When you make general inquiries to your Medicare Administrative Contractor (MAC), you will be prompted to give either your provider transaction access number (PTAN) or the CCN. These identification numbers are used as authentication elements when inquiring about beneficiary and claim specific information. When prompted for the PTAN, please give the CCN. Your MAC continues to be Novitas Solutions. All questions concerning billings and other fiscal matters should be directed to your MAC.

Conemaugh Miners Medical Center has also been approved to provide post-hospital skilled nursing facility care as specified in 42 C.F.R. § 409.30. Swing-bed CAHs are assigned an additional number, which contains an alpha-character in the third position. The third character, the letter Z, indicates that the CAH has been approved as a swing-bed CAH. The swing-bed certification number for Conemaugh Miners Medical Center is 39Z317 effective July 1, 2020. The former CCN, 39U130, is terminated as of midnight on June 30, 2020.

Please note that a CAH may operate no more than 25 beds total for either acute care or swing-bed services.

All acute hospital services furnished on or after July 1, 2020, should be billed under CCN 391317. All billings for services for Title XVIII SNF services are to be billed under 39Z317.

Should there be any questions, please contact me at (215) 861-4223 or via email to monica.goodwin@cms.hhs.gov.

Sincerely,
