Dear Mrs. Faló:

On behalf of the Center for Improvement in Healthcare Quality (CIHQ), I am pleased to inform you that Curahealth Pittsburgh has successfully met the requirements for full accreditation under our acute care hospital program.

As you are aware, the following condition-level deficiencies were sustained during the initial accreditation survey:

CMS Condition of Participation	Level of Deficiency	CIHQ Standards
§482.12 – Governing Body	Condition	GL-4
§482.23 – Nursing Services	Condition	MM-28
§482.42 – Infection Prevention & Control & Antibiotic Stewardship Program	Condition	IC-3
§482.24 – Medical Record Services	Condition	MR-4

A follow-up survey was conducted on July 2, 2020 and it was determined that the organization successfully corrected the deficiencies and there were no additional findings. As a result of achieving accreditation, CIHQ will be recommending deemed status approval of your organization to CMS for the purposes of participating in Medicare. Please be advised that your CMS Regional Office (RO) makes the final determination regarding your Medicare participation and the effective date of participation in accordance with the regulations at 42 CFR 489.13.

The following information is being provided to CMS:

CIHQ ID Number:	1114	Survey Dates:	May 19, 2020 to May 21, 2020
Medicare CCN:	392028	Date Corrective Action Plan Accepted:	June 3, 2020
Program Type:	Hospital	Effective Date of Accreditation:	June 3, 2020
Survey Type:	Initial with CCN	Accreditation Expiration Date:	June 3, 2023
Swing Beds:	No	Follow-Up Required:	Acceptable Plan of Correction/Follow-Up Survey
Accreditation Decision:	Full	Follow-Up Survey Dates:	July 2, 2020 to July 2, 2020

The current accreditation status applies to all sites and services for which your organization bills under its Medicare certification number. A listing of the primary location and any additional sites is included below.
